

FFL Transfer & Sales Policy Constitutional Sports (CP&S)

Thank you for your interest in using CP&S to handle your firearms transfer. The following will help ensure good communication resulting in a smooth firearm transfer and/or sale.

First, I work full time, so this is only side-line business. My hours are as Tuesday, Friday 6-8 p.m. and Saturday 12-4 p.m. Other times by special appointment or agreement.

NICS Check: I am required to perform the FBI/NICS background check on all firearm sales and transfers. I cannot perform this check before you get here. Due to the Brady law, there is a chance you will have to wait before taking possession of your firearm. It may take up to four business days (non holiday days Monday through Friday) before I can make the transfer. It is not up to me, I must abide by the FBI/NICS background check rules.

Transfers: Please bring a valid Missouri drivers license and cash or money order for the transfer (\$25). If your address is incorrect on your license then please contact me ahead of time so I can notify you of the documentation that you will need to bring. I cannot make a transfer without the proper documentation.

If I am receiving a handgun transfer it does not come with a lock, I will charge \$5 to provide a lock. By law I must include a lock with each purchase. This is not optional. *BATF 18 U.S.C.921(a)*.

If I am receiving a transfer for you and you fail the background check I cannot transfer the firearm to you or anyone you know, as this would be considered a "straw purchase" by the ATF (<http://www.dontlie.org/FAQ.cfm>) and is felony for you and me. In the case of a denial, I can ship the firearm back to the seller but I will charge \$25 plus actual shipping & insurance costs. Therefore, please ensure you can legally own a firearm prior to the transfer. If the firearm is non-returnable, I am willing to consign the firearm for a fee of \$25, and 10% of sale price plus actual shipping (if sold through an auction service). You also have the option of appealing the denial and picking up the firearm once you are approved. A storage fee of \$10/month will be assessed after 30 days from the date of the original NICS check.

Sales: The NICS fee is included in firearm sales. All sales on firearms are final. If you have a problem with your firearm we can help you send it out for repair to get the issue resolved. Due to liability we do not accept returns on firearms or ammunition. I

Picking up the firearm: As noted, I have a full time job in addition to CP&S, so my hours are limited. I give 30 minutes between appointments to allow enough time for each appointment. do your best to stick to the time we agreed to meet so I can give each customer the time they deserve. I will often have others before or after you eagerly waiting to pick up their latest firearm, please be respectful to them. If you arrive 30 minutes or more later than your scheduled appointment you may be required to reschedule.
